

## **Cardiff Union Events Crew**

### **Job Details**

You will be working for Cardiff Students Union Entertainments Department on a casual basis (paid hourly). We can not provide a minimum number of hours but do not require you to work a set number of hours.

Duties will include the set up and pack down of venues in preparation for club nights, live gigs or other events. This may include (but no limited to): PA, Lighting, A/V, Décor rigging, staging and barrier systems.

### **Candidate Requirements**

Although we do not expect candidates to have previous crew experience (most training will be done on the job), knowledge of PA, lighting and staging is beneficial. A suitable candidature must also possess the following attributes:

- Aware and respectful of H&S issues within the industry,
- Willing to work in 'un-sociable' hours,
- Flexible in terms of job roles and hours,
- Good communication skills,
- Punctual.

### **Development**

Further to assisting in general events, there is scope to progress to Crew Supervisor which entails the running of our frequent club nights and Gig Supervisor where you will be looking after the vast array of touring bands we play host to.
